Dear Friends of Distinctive Dance Etc.,

The DDE Booster Club strives to provide students with unique learning opportunities in the studio as well as enhancing their dance education through public performances, dance competitions and conventions. The DDE Booster Club allows our dancers to participate in extracurricular activities that will assist in their growth as young dancers, in addition to providing lifelong lessons and memories.

The DDE Booster Club is requesting a donation of a Gift Card/Certificate for our annual Calendar Raffle Fundraiser.

All proceeds from this event will go to our DDE Booster Club.

If you have any questions please contact me at distinctivedanceetc@gmail.com .

Any donation you can provide is appreciated and welcomed. Please use the mailing address above.

Thank you for your support,

Stacy Capone
